

New uniforms for Badminton Europe Technical Officials

Badminton Europe is pleased to announce that new clothing is available for European referees and umpires.

A new colour will be used for umpire clothing at Badminton Europe events from 2009. This will be black. Badminton Europe referees will continue to wear red clothing.

Referees and umpires who are appointed for Badminton Europe events in 2009 will receive 2 polo shirts and 1 long sleeve sweatshirt free of charge. This will only be given free of charge to referees and umpires once.

All Badminton Europe accredited and certificated referees and umpires are invited to purchase the clothing. There will be three types of clothing available; polo shirt, long sleeve sweatshirt and soft shell jacket. All items are produced to a very high quality.

Offer to Member Associations

Member Associations are invited to purchase the same design clothing and have their own logo attached to the uniforms. Badminton Europe's supplier is willing to produce the logo after receiving a design. Clothing will then be shipped directly to the Member Association. Orders should be made through Badminton Europe.
